I said preacher mon don't kick me out, I love the lord too
I put out me blunt and put the rest of it into me shoe

Chorus-----

I said Amen a mon I said Amen a mon
Preacher mon gonna kick me out of da corner church square
I said Amen a mon I said Amen a mon
Preacher mon don't believe I is here for da prayer

I say preacher mon I doing no harm, don't ya send me away
Love thy neighbor, isn't dat what da good book say
Preacher mon tell me if I stay, he gonna baptise me
All dat splashin of da water I tink it gonna make me pee

Chorus

Preacher mon give me piece of bread and small glass of wine
I say, I a growing boy, keep em coming and we do fine
Preacher mon tell me time to pray, go sit in da pew
If I gotta sit in stink, I tink I need another few

Chorus

I ask Precher mon if he smoke, could we spark up a bowl
He say If I don't change my ways, I gonna lose me immoral soul
We go to confession box, I suppose to tell bout da bad tings I do
I lit up me blunt and got me Preacher Mon stoned too.

Chorus
