C               D         G

C         D         G
I do my best to earn a buck
C         D         G          Em

C         D             G
So bring it on........ come what may

Broke my boot just this mornin    now got me a limp
Daughters marrying a white boy    rap wanna be pimp

Rodeo company's closing down      bout to lose my job

Chorus

Solo

Pickup died out on the street     it's all she's got
Moneyclip's dry as my mouth       can't afford a shot
