

Deuce in my Stocking – Bret Unplugged © 2012

ADA

When I awoke on Christmas morning

ADE

I found myself with an unpleasant smell

ADA

I traced it all the way to the mantel

EDA

I looked around and said “what the hell”

CHORUS.....

DEA

Cause Santa dropped a deuce in my stocking

DEA

He dropped a big old yuletide log

DEAD

I must be on the naughty list, I don't know

DEA

then again, last year was a fog-----

ADA

I left out cookies and milk for the big guy

ADE

The kids were all tucked into bed

ADA

Why would he pinch one off into my stocking

EDA

what else more can be said...

Chorus

ADA

The liquor cabinet lock was broken off

ADE

I found empty bottles on the fire place

ADA

I think he might pissed on the christmas tree

EDA

and then I believe he chunked into a vase

Chorus

Damn I/m on the naught list, now I know

But didn't have to leave that yuletide log
