Parody (Do you hear what I hear)

Said the bartender to customer
Do you know what you want
Asked again the bartender did
Do you know what you want
A beer, a beer In a frosty mug
Give me 2, so one I can chug
Give me 2, so one I can chug

C G C
C Am C
C G C
C Am C

Am G C
Am G C

Said the bartender to the customer
Do you want another beer
Asked again the bartender did
Do you want another beer
A shot, a shot Tequila and a lime
And another beer if you got the time
And another beer, if you got the time

Said the bartender to the customer
Do you want another shot
Asked again the bartender did
Do you want another shot
Jaggy bomb, jaggy bomb I could use a little juice
It will help me to get loose
It will help me to get loose

Said the bartender to the customer
Do you want another round
Asked again the bartender did
Do you want another round
Some weed, some weed I want to get real high
If you have some, I sure would like to buy
If you have some, I sure would like to buy

Said the bartender to the customer
Do you want another bowl
Asked again the bartender did
Do you want another bowl
Cocaine, cocaine Enough to rot my brain
Bring me a mirror and a straw
Bring me a mirror and a straw

Said the bartender to the customer
Do you need a ride home
Asked again the bartender did
Do you need a ride home
gonna puke, gonna puke I think I'm going to puke
Do you have a bucket for me
Do you have a bucket for me
