E Ebr E  
Drinkin a hot toddy christmas morn  
Got the recipe from my cousin Deb

A Abr A Abr A  
It might be cold outside, but my belly and brain are all warmed up  
E Ebr  
from a hot toddy x2

My glass went empty with this sip  
So I filled up another glass

A  
It's fricken cold out side, but my brelly and brain are all warmed up

Another glass emptied and well... I need some more  
So I pour so more, for this drinking whore

A  
Who cares the temp outside, I got my little drink to keep my warm

E Ebr E  
Another glass emptied, and I'm fricken drunk  
So I pour so more, oh my brain is sore

A  
Damn it's cold outside, and I'm runnin around in my underwear
