by Bret Unplugged / Howling Jeb (Todd Skar) © 2003 / 2004

Woke up this morning G----C O G
Got myself out of bed G----C O G
Still wearing the same clothing G----C O G
Oh my aching head G----C O G

Chorus:-----

I got da Pitz C----F O C
Damn stinking Pitz C----F O C
Don't got dem blues G----C O G
Damn worse than blues G----C O G
You can fill up my cup to the top, with that spicy captain rum (ha) D...C...Pm
dem pitz go away (ha ha ha) Pm

Hopped into my car
Ran over a cat
Half way to the bar
Damn tire went flat

Chorus

Owner bitching about the time
Clock on the wall says I'm late
If I'm gonna earn my dime
Better be god damn great

Chorus

Solo

This place doesn't pay
Couldn't find me a lay
It's been a long day
Captain....let's sail away

Chorus
