

Spankula by BretUnplugged 2004 © Bret Paluch

He wants to spank your butt, ah ah ah ah...

---Chorus-----

A fetish Nos-fer-ah-too from transilvania	Am G
He'll spank your butt, and then he'll drain ya	Am G
So watch out when you travel at night	Am G
Your not safe until the morning light	Am C D

----Bridge-----

Am	C	Djam
he's	Spank-uuuuu-laaaaa	ah ah ah

Rises up from his underground basement lair
He searches the night for the maidens fair
Tries to find a young college cutie
She's got to have a good size booty
(Bridge x1)
He mentions to them he's a spankin freak
Hypnotizes them with his widows peak
Leads them down to his underground pad
He's old enough to be their grandpa's dad

Bridge x1 Chorus Bridge x2

Starts the spankin with a light heart pat
uses a paddle shaped like a vampire bat
He bites them in a place where a spankula should
Right in the ass, where the nector is good
(Bridge x1)
He taps them for only a pint or two
Maybe 3 if they are a jew
admires the beautiful hind side view
spanking sessions last the whole night thru

Bridge x1 Chorus Bridge x2

One night he found the most wonderful girl
Like finding an oyster containing a pearl
For both of them it was love at first site
He could not wait to take his first bite
(Bridge x1)
The co-ed she was a beautiful lass
But she had a tattoo of a crucifix on her ass
With a frown on his face and a tear in is eye
Spankula disappeared into the night sky

Bridge x1 Chorus Bridge x4 fade!
