

Wap-a-Tule - Bret Unplugged

Bret Paluch © 2007

When it touches my lips, I had to take more sips	CC
gotta taste you can't deny	FC
And when I start to sway, I just gotta say	G
That stuff will get you high	GC

-----Chorus-----

oh Wap-	C
a-tule baby Wap-	FC
a-tule baby got the chunks of fruit and alcoholic juice	CFCFC
that wap will make you feel fine	GC

Although my speech is slurred, and my vision blurred
I can't stop drinking it
What a nice little treat, all the fruit to eat
it sure does get you lit

Chorus

Well it's time to go, I can't have no more
My brain it feel like fuzz
What a nice way, to spend the day
With a great all day head buzz
