I was alone... I was all by myself.
No one was looking, I was thinkin' of you...

5
Oh ya did I mention... I was all by myself?

All by myself... All by myself... All by myself.

2
I went to your house, but no one was there...
I went to your room... I was all by myself...

5
You and me had such wonderful times... When I'm all by
myself...
All by myself... All by myself.
