You know what I really like?  
Is riding new bike  
    my brand new shiny bike  
I ride all over through weeds and clover  
That's what I really like  
    my brand new shiny bike

You know what's really fun to do?  
It's riding to the zoo  
    on my brand new shiny bike  
I ride all over through weeds and clover  
That's really fun to do  
    on my brand new shiny bike

You know what I pretend when I ride?  
That I'm biking a mountainside  
    on my brand new shiny bike  
I ride all over through weeds and clover  
That's what I pretend when I ride  
    on my brand new shiny bike

You know who I see when I bike?  
Families on a ride or a hike  
    on my brand new shiny bike  
I ride all over through weeds and clover  
That's who I see when I bike  
    on my brand new shiny bike

Did you know I like to sing?  
I'll sing about almost any thing  
    on my brand new shiny bike  
I ride all over through weeds and clover  
Now you know that I like to sing  
    on my brand new shiny bike

You know what is really fun to do?  
Is taking a bike ride with you  
    on my brand new shiny bike  
We'd ride all over through weeds and clover  
That's what is really fun to do  
    on my brand new shiny bike
