Hallaluha Brothers
Hallaluha I said brothers, and sisters
Now you got yourself 2 good hands, right?

And when your beer is coming, you gotta
reach out your one hand, and take a drink.

Cause that's what it's there for!

And when your heart is troubled, you gotta
reach out your hand, and grab another beer

Reach it out your hand for that other beer,
take a big drink.... cause that's what it's there
for
