

Can't Drink Budlight Anymore – Bad Decisions (Garage Songs)

GCDC

Can't drink budlight anymore x2

I have to use a secret back door
when I buy beer from the liquor store

I used to love that beer, now people think I'm queer

Can't drink budlight anymore

Can't drink budlight anymore

Dylan Mullvanny's an attention whore

Bunch of jobs fired off the floor

Throw that Marketing VP out the door

they ruined that label, now their stock is unstable

Can't drink budlight anymore

Can't drink budlight anymore

Beer drinker's on strike and many more

So many people are fricken sore

There was boycott and went to war

Trans is ok, but not on a budlight beer display

Can't drink budlight anymore

Can't drink budlight anymore

MAYBE IN OUR DRIVEWAY

Can't drink budlight anymore

With the blinds down, IN OUR HOMES

Can't drink budlight anymore

In our basements for sure!

Original Recording-----

Can't drink budlight anymore

Can't drink budlight anymore

EXCEPT IN OUR HOMES
