By: Jimmy Buffett

No Capo

Intro: G D A G D

D G A D  
 I took off for a weekend last month Just to try and recall the whole year  
 D G A D  
 All of the faces and all of the places Wonderin' where they all disappeared  
 Bm A G A  
 I didn't ponder the question too long I was hungry and went out for a bite  
 G D A D  
 Ran into a chum with a bottle of rum and we wound up drinkin' all night

Chorus: G D -----  
 It's these changes in latitudes, changes in attitudes  
 A D  
 Nothing remains quite the same  
 G D  
 With all of our running and all of our cunning  
 A G D  
 if we couldn't laugh we would all go insane

Reading departure signs in some big airport Reminds me of the places I've been  
 Visions of good times that brought so much pleasure Makes me want to go back ag  
 If it suddenly ended tomorrow I could somehow adjust to the fall  
 Good times and riches and son of a bitches I've seen more than I can recall

(Repeat Intro chords)  
 I think about Paris when I'm high on red wine I wish I could jump on a plane  
 So many nights I just dream of the ocean God I wish I was sailin' again  
 Oh, yesterday's over my shoulder So I can't look back for too long  
 There's just too much to see waiting in front of me And I know that I just can't go wrong
