

Coconut Telegraph - Jimmy Buffett

It's Tuesday on the is-land Not much going on EAEB
The parties are all o-ver They ended just past dawn EAEB

The jungle drums are beat-ing With the tales from late last night EAEB
Cause stories bear repea-ting For everyone's delight EAEB

Chorus:

E A E
You can hear 'em on the coconut telegraph

B E
Can't keep nothin' under their hat

A E
You can hear 'em on the coconut telegraph

B E
Sayin' who did dis and dat

A E B E
Dis and dat, dis and dat

Now I'm not one for dealing gossip But was he that big a fool? EAEB
To do a belly buster high dive And miss the entire pool? EAEB

And what became of sweet Melissa? And the boy nobody knew EAEB
Did Ricardo ever find her? I swear it's just between me and you EAEB

2nd Chorus:

But you can hear it on the coconut telegraph By now everybody knows
You can hear it on the coconut telegraph Just who comes and goes
Comes and goes, comes and goes

A E B A E B
La la la la la la la la la la la la la la

A E A E B
La la la la (la la la la la) La la la la (la la la la la)

It's hump day on the island The lines have all gone dead EAEB
All the juicy news is history I guess everything's been said EAEB

But when the eagle flies on Friday And the boys break out the rum EAEB
Then the joint begins to jumpin' And you'll hear those hotlines hum EAEB

Last Chorus:

Put it on the coconut telegraph All the celebration and the stress
Baby put it on the coconut telegraph In twenty-five words or less

I want to hear it on the coconut telegraph All the celebration and the stress
Baby put it on the coconut telegraph In twenty-five words or less
Dis and dat, comes and goes Dis and dat, comes and goes
