

# DELANEY TALKS TO STATUES

Jimmy Buffett

Intro: A E B E A B E x2

A E B E A B E  
Delaney talks to statues as she dances 'round the pool  
A E B E A B E  
She chases cats through Roman ruins and stomps on big toadstools  
A E B E A B A E  
She speaks a language all her own that I can not discover  
A E B E A B A E  
But she knows I love her so when I tuck her 'neath the covers

Chorus:

A E B E A E B E  
Father, daughter, down by the water  
A E B E A E B E  
Shells sink, dreams float-- life's good on our boat

Delaney draws me pictures, she finger paints the sand  
We chase the dogs and hop like frogs, then I do my bad handstand

She's growing up too fast for me and asking lots of questions  
Some I know the answers to and some I'm looking for suggestions

Chorus:

Father, daughter, born by the water  
Surf's up, sun's down-- life in a beach town

Bridge:

C#m G#m A B  
And some of the things I've seen maybe she won't have to see  
C#m G#m A B  
But there's a lot I want to pass along that was handed down to me

\*Repeat first verse and Chorus

Chord Diagrams:
