Fell in love with a girl
I fell in love once and almost completely
she's in love with the world
but sometimes these feelings can be so misleading

she turns and says are you alright?
I said I must be fine cause my heart's still beating
come and kiss me by the riverside yeah,
bobby says it's fine he don't consider it cheating

Red hair with a curl
mellow roll for the flavor and the eyes were peeping
can't keep away from the girl
these two sides of my brain need to have a meeting

Can't think of anything to do yeah
my left brain knows that all love is fleeting
she's just looking for something new yeah
and I said it once before but it bears repeating now

Ah ha solo

Can't think of anything to do yea
my left brain knows that all love is fleeting
she's just looking for something new
and I said it once before but it bears repeating now
