

Fishing With My Neighbor Brad – Bret Mon © 2024

Well I'm, Fishing with my Neighbor Brad
On his pontoon on Shawano lake
I'm watching my bobber float
No bites, for gosh darn sake.

Brad pulled in a monster of a fish
And then he and put it away
I Haven't had a FN bite yet
Just watching my bobber sway

Brad pulled in a bunch more keepers
They're getting bigger every time
I pull in 1 tweener
Now I'm 1 for 29

Holy crap, I got more than a nibble
my bobber took a dive
it was only seaweed
but damn I felt alive

Well I'm Boating with my Neighbor Brad
On his pontoon, it's all fun
He's the one that fishing,
and I'm enjoying the sun

A tweener hit my line
it fought like a

Rain

Well I'm watching my Neighbor Brad
Catch fish after fish
Wondering when the lady of the lake
will grant me my one wish
