

Got Me Down – Bob Kapla (Possible Band)

Em C D
I'm walkin' the streets with my head hangin' low
Em C D
Feeling alone no-where to go
G C D
Every step I take is a heavy chain
G C D
Need a way out, but it's all in vain

Chorus:-----

G C
You got me down you got me on my knees
G C D
Can't shake this feeling can't find a release
Em C
With every beat of my heart with every breath I take
D G
You got me down and I can't break free

Em C D
Shadows surround me in an endless night
Em C D
Memories haunt me from when things were right
G C D
Now I'm trapped in a darkened maze
G C D
Breaking free from this endless craze

Chorus

Solo Em C D

Em C D
At night I hear your voice in my head
Em C D
Promises we both made broken and dead
G C D
I will rise from these ashes stronger than before
G C D
Won't let your memories haunt me any more

Chorus

D G
Out: You got me down and I can't break free x2 or 3
