Intro: Guitar & bass: CCCC AAAA GGGG FFFF (x2)

VERSE 1

C A G F
You call me up and tell me you'll be late
C A G F
No need for me to stay up No need for me to wait
C A G F
I start to think about all the things it could mean
C A G F
Think about the signs I should have seen

CHORUS

C A D F
'Cause I've heard it all before (Baby) once or twice
C A D F
I've heard it all before (and) I'm paying the price.....
C A D F
If you think I believe your stories then you've lost your mind
C A D F
'Cause I've heard it all before (Baby) once or twice

FILL: FFFF E D x3 (bar chords on second string)

C A G F

BRET: FFFF -open- D x3 C

VERSE 2

C A G F
You stopped off for hour or two you had to meet a friend
C A G F
Your car broke down again when will this ever end?
C A G F
I'm sick and tired of bein' a fool I tell you this is it
C A G F
No more will I be your plaything no more listening to your shit

CHORUS

C A G F
I used to think We could work it out
C A G F
That I'd be able to conquer all my doubts
C A G F
Now I see That it's not meant to be
C A G F
You're playing games and F*%&ing around with me!

CHORUS

ENDING: FFFF E D x3 C XXXXXX C
