

## Hey Girl - OAR

I took this girl out last night and we left around twelve.  
We walked along lonely streets and got to know ourselves.  
I like to read, she likes to write.  
She likes to sleep, and I like to stay up all night.  
My friends say I'm crazy and I agree,  
But that's okay cause that's the way she likes to be.

E A B
-------

Say Hey girl come with me and let yourself go.  
Said Hey girl come with me and let yourself go.( go go go )

We went out late that night and we danced through the night.  
I was holding on to her and she was grippin' me tight.  
But I didn't care, and she didn't mind.  
I was unaware that she liked to act so kind.  
My friends say she's crazy and I agree,  
But that's okay cause that's the way I like to be.

Say Hey girl come with me and let yourself go.  
Said Hey girl come with me and let yourself go. (Go, Go,Go, Now just let yourself go)

Now later on that night i took her home,  
I asked if she felt alright being alone.  
So I went inside, and she didn't mind,  
Took two to decide that I wasn't going home that night.  
I see we're both crazy, thats alright with me,  
and now its kinda hazy cause thats the way it gonna be.

Hey girl come with me and let yourself go  
Hey girl come with me and let yourself go (go, go, go just let yourself go)
