Chorus-----

Hold your weenier when you pee
When you water that tree
Don't let it hang there free
Take this advice from me

You gotta hold that dick
When you shake your stick
Don't be such a prick
Tap it off real quick

Put your hand on your schlong
Listen to this song
You just can't go wrong
When you hold your dong

Chorus

You gotta grab your hose
When the yellow flows
Don't sprinkle your clothes
When your thing is exposed

Take off your cow boy hat
Don't be such a brat
Don't swing around it like a bat
Just give it a little pat
