E Ebr E
Drinkin a hot toddy Christmas morn
Got the recipe from my cousin Deb

A Abr A Abr A
It might be cold outside, but my belly and brain are all warmed up
E Ebr
 from a hot toddy x2

E Ebr E
My glass went empty with this sip
So I filled up another glass

A
It's fricken cold out side, but my brelly and brain are all warmed up
E Ebr
 From a hot toddy
 from a tot hoddy

E Ebr E
Another glass emptied and well... I need some more
So I pour so more, for this drinking whore

A
Who cares the temp outside, I got my little drink to keep my warm
E Ebr
 From a tot doddy
 From a hat toady

E Ebr E
Another glass emptied, and I'm fricken drunk
So I pour so more, oh my brain is sore

A
Damn it's cold outside, and I'm runnin around in my underwear
E Ebr
 From a hot poddy
 From a rock toddy
