

# Hot Toddy - Bret Unplugged 2013 © bret paluch

E, Ebr 001220    A, Abr 032220

E                    Ebr                    E  
Drinkin a hot toddy Christmas morn  
Got the recipe from my cousin Deb

A                    Abr                    A                    Abr                    A  
It might be cold outside, but my belly and brain are all warmed up  
E    Ebr  
    from a hot toddy                    x2

---

E                    Ebr                    E  
My glass went empty with this sip  
So I filled up another glass

A  
It's fricken cold out side, but my brelly and brain are all warmed up  
E    Ebr  
    From a hot toddy  
    from a tot hoddy

---

E                    Ebr                    E  
Another glass emptied and well... I need some more  
So I pour so more, for this drinking whore

A  
Who cares the temp outside, I got my little drink to keep my warm  
E    Ebr  
    From a tot doddy  
    From a hat toady

---

E                    Ebr                    E  
Another glass emptied, and I'm fricken drunk  
So I pour so more, oh my brain is sore

A  
Damn it's cold outside, and I'm runnin around in my underwear  
E    Ebr  
    From a hot poddy  
    From a rock toddy
