

I need a Gyro – Bret Mon

Am/Am7 G F Am E 2x

Am **G**
Where has all the good food gone, something needs to be said.

F **E**
Fast food, pizza and sandwich shops with the rising bread.

Am **Em**
Isn't there restaurant where you can get a good old feed.

Dm **E**
Late at night I toss and turn and I dream of what I need.

[Chorus]-----

Am **Em**
I need a gyro, I'm holding out for a gyro and I won't quit,

F **C** **G**
It's gotta be good and and it's gotta be fast, And fresh off the rotisserie spit

Am **Em**
I need a gyro, I'm holding out for a gyro with the veggie spread,

F **C** **G** **Am**
it's gotta be greek, with Tziki sauce, On a fresh slice of pita bread... pita bread

A/Am **G** **F** **Am** **E**
Do do do do Do do do do Do do do do Aaah aaah

Am **G**
Tomatoes, cucumbers, onions and crumble Feta cheese

F **E**
Yogurt, oregano, garlic, adding as much as I please.

Am **Em**
Racing to the shop counter, without skipping a beat

Dm **E**
The taste of that greek delight will knock you off your feet, yeah!

[Chorus]

Am **G**
Roasted seasoned meat shaved right off that spinning skewer

F **E**
This greek inspired taco is-my hun-ger's greatest cure

Am **Em**
If you've never had a Gyro then listen to me quick

Dm **E**
Head over to a greek place, get lamb right off the stick

[Chorus]

gyro, a Greek dish of roasted meat served in a pita, usually with tomato, onion, and tzatziki, a cold, creamy sauce made from yogurt, cucumber, garlic, and various spices. Gyro meat—typically lamb, beef, pork, or chicken—is roasted on a vertical skewer and sliced off in thin, crispy shavings as it cooks.
