I always heard that his herb was top shelf

Don't knock it til' you tried it, Well I tried it my friend

And I'll never smoke weed with Willie again

I learned a hard lesson in a small Texas town
He fired up a fat boy and passed him around
The last words that I spoke before they tucked me in
Was I'll never smoke weed with Willie again

I hopped on his old bus, The Honey Suckle Rose
The party was Vegas it was after the show
