Why don't ya come along with me
I'm going to far West Key
I want to swim in the sea
and drown my sorrow
Riptide subside
I'll be jumping on a plane this time tomorrow

Harp Solo

Stop at Irish Kevin's tonight
Gonna have a Guinness pint
all the girls outta sight
they're shakin' their booties
irate gyrate
Just take a look around at all those beauties

Harp Solo

The conch republic is the place for me
Where everyone is truly free
I wanna live in the Keys
Till the day I die
Elect Defect
Then serve me up a slice of Key lime Pie

Harp Solo

We're going over to Malary square
It's about that time for sunset fair
The street talent performs with flair
While the sun goes down
Twilight Goodnight
Now it's time to hit the bars and rock this town

Stop at Irish Kevin's tonight
Go and have yourself a pint
all the girls outta sight
I hope they show their boobies
You gotta free the pups
I'll be slamming Guinness pints till the morning light

I wanna live in the Keys
Till the day I die
I'll Defect today
Then serve me up a slice of Key lime Pie

We're going over to malarly square
It's about that time for sunset fair
The street talent performs with flair
Till the sun is set

And tipping is important, don't forget
