

Kiss off - Violet Fems

Em

I need someone, a person to talk to someone who'd care to love

C

Could it be you

Em

Could it be you

Situation gets rough Then I start to panic It's not enough It's just a habit

C

Hey kid you're sick

Em

Darling this is it

C D

You can all just kiss off into the air

Behind my back I can see them stare

They'll hurt me bad but I won't mind

They'll hurt me bad they do it all the time

Yeah yeah, they do it all the time

Em

I hope you know that this will go down on your permanent record

C

8Oh yeah well don't get so distressed

Em

Did I happen to mention that I'm impressed

Solo Em, C D x3

Em

I take one one one 'cause you left me

And two two two for my family

And 3 3 3 for my heartache

And 4 4 4 for my headaches

Em

And 5 5 5 for my lonely

And 6 6 6 for my sorrow

And 7 7 7 for no tomorrow

And 8 8 8 I forget what 8 was for

And 9 9 9 for a lost god

And 10 10 10 for everything everything everything everything

C D

You can all just kiss off into the air

Behind my back I can see them stare

They'll hurt me bad but I won't mind

They'll hurt me bad they do it all the time

Yeah yeah, they do it all the time (repeat)
