

Lemonade Stand – Possible Band

F C G

..g F C G

At the end of the driveway
In the middle of the cul-du-sac
We spike our lemonade
To keep you coming back

Lemonade Stand spelled wrong
on a big old cardboard sign
The dads love the whiskey
The mom's love the wine

Chorus

C F C G

Lemonade Stand... I was a bartender when I was 8
Lemonade Stand... isn't summer time real great

A dollar gets you a glass
A pitcher a \$20 spot
Spike it with wine or whiskey
Or whatever my momma's got

We never serve the minors
Always checking those ID's
The college kids love us
They come and go as they please

Chorus

C F C G

Lemonade Stand... I was a bartender when I was 9
Lemonade Stand... I wish it was summer all the time

Our stand isn't a slum
But we keep an eye out for cops
Hide the booze if you see them
Make sure they don't stop

But the heat is upon us
And I'm not talking the sun
Time to close down the stand
Before we all have too much fun

Chorus

C F C G

Lemonade Stand... I was a bartender when I was 10
Lemonade Stand... I wish it was summer time again
Lemonade Stand... my piggy bank is full
Lemonade Stand... I'm an business man no bull
