-----

I know this girl made memories and phrases  
 Who lived her whole life in both chapters and stages  
 Danced 'till the dawn, wished all her worries away  
 Well she wasn't crazy, no she wasn't mad  
 She just wanted the father that she never had  
 From under my lone palm I think about her today

**Chorus**

Bridge:

D A

We sailed from the port of indecision

D A

Young and wild with oh so much to learn

G D E D

Days turn into years as we tried to fool our fears

D E A

But to the port of indecision I returned

E A

My gardens are filled with papayas and mangos

E A

My life is a mixture of jingles and jangles

D A E

Come Christmas winds and blow all my worries away

**Chorus**

Sing if you will..... Sing to the Sea
