

Lost And Found by Brooks & Dunn

No Capo

E E E E

E E A B
I lost her trail on a Friday night She was gone before I got home

E E B B
She'd been getting restless In that big house all alone

E E A E
I've been up and down these city streets For three nights in a row

A E B E
And lord it's hard to find that girl When she gets the urge to go

CHORUS:-----

A B
It's kinda like a lost and found In a border town

E A
Askin' bout a diamond ring

E E
They just look at you Like you've lost your mind

B
Say they haven't seen a thing

A B
But I know she's been here lately

E A
I can still smell her perfume

B B A
And she gets crazy on a full moon

And I know she'll be coming back
Her car is waiting right outside
But, I don't want to think about
Who's taking her for a ride
And her unpredictability
Is what I love about her best

E	E
A	B
E	E
B	B
E	
A	E

A E
Lord I've got to find her quick

B E
Before she does something I regret

BRIDGE:

A B
She's out there somewhere

A B
Burnin up the night

A B
Somehow I've got to run her down

Dbm ????

I'm running out of time
