Though her vibe's rather reckless she's heading for a crash

**D** **G** **A**  
her flowing skirt is blowing in a transcendental wind

**A** **D** **G** **A**  
And she wonders without knowing, or where to begin

**E (Bridge)** Oh she loves me so, she hates to be alone **D** **A**  
She says she don't eat meat, but she'll chow down a T-bone

**A** **D** **G** **A**  
She drives an electric car but she doesn't like it

**D** **G** **A**  
She forgets to plug it in, that's why she's gotta bike it  
But to get where she's going she's gotta leave an hour before  
I wish I knew where she was, a mile away, probably more  
And I don't know where she's been, probably biking again  
All I know that loving her has gotta be a sin

**E (Bridge)** Oh she loves me so, she hates to be alone **D** **A**  
She says she don't eat meat, but she'll chow down a T-bone

### CHORUS

**E (Bridge)** Oh she loves me so, she hates to be alone **D** **A**  
She says she don't eat meat, but she'll chow down a T-bone
