she like the orgasms, specially the after shock
 but when she's got no boys
 she rely's on her toys
she's got the best power tools on the block

Chorus

Solo B A B A

HE WAS...	SHE WAS...
Sanding the Main mast	Smoken the clam
Slapping the swan	pettin the kitty
Doing the knuckle shuffle	Bopping the bisquit

Waxing the willie	Scratching the snatch
spankin' a batch	Nobbing the nubby
shaggin the hedgehog	Churning the Butter

Chorus

Well, I gotta tell ya friends, it's time for the end of this song
Masturbation is the one thing you could never do wrong
But if you're that much of a dumb ass
I'm sure you could take a class
And you'll be doing it like me, all the night long
