 Margaritaville Sing normal Bret Diff Chords version

Nibblin' on sponge cake Watchin' the sun bake G
 All of those tourists covered with oil G D
 Strummin' my six-string On my front porch swing D
 Smell those shrimp, they're beginnin' to boil C D G

I don't know the reason I stayed here all season G
 Nothin' for me to show but this brand new tattoo G C
 But it's a real beauty A Mexican cutie C G
 How it got here I haven't a clue D
 Probably involved Tequila and some sort of brew C D G

Chorus

Wastin' away again in Margaritaville C G
 Searching for my lost shaker of salt D G
 Some people claim that there's a woman to blame C G
 But I know it's no-body's fault. D
 Alright fine... it's probably my gosh damn fault C D G

I blew out my flip-flop Stepped on a pop-top G
 Cut my heel had to cruise on back home G C
 But there's booze in the blender And soon it will render C G
 That frozen concoction that helps me hang on... D
 but I can't drink this thing without my salt C D G

NA na na CL....., where is my damn shaker of salt G D
 NA na na CL....., where the hell is that damn shaker of salt D G

I look in the cabinets and in my closet G
 top of the counters and my safety-deposit G
 looked in my car trunk and under the porch G
 in the medicine cabinet even deep in the couch G
 emptied my pockets....where the hells my shaker of salt GD
 nan a na..... CL

Oh there it is
