Feelin' so sad now since I been gone, gone, gone

F

C

It gets quite confusin', it seems that I'm loosin'

G

C

Track of the long days since I been home

We're stayin' in a Holiday Inn full of cone heads

I guess they meet there once a year

They consume mass quantities of fiber glass

And get drunk on cheap ass beer

And then they're off to catch a stripper

With their eyes glued to her "G"

But I don't think that I would ever let 'em cut on me

Chorus:

(And I,) Miss you so badly, girl I love you madly

I think I've been had though for stayin' so long, long, long

And I'm, just watchin' the Gong Show, waitin' for Zorro

Losin' the long days since I been home

(Solo) HELP!

I got a head full of feelin' higher

And an ear full of Patsy Cline

There is just no one who can touch her

Hell, I'll hang on every line

Oh, crazy how things happen, it's incredible but true

The longer I'm gone the closer I feel to you

Chorus:

(And I,) Miss you so badly, girl I love you madly

I'm feelin' so glad just to be headin' home, home, home

I've been, battlin' motel maids, and chewin' on Roloids

Countin' the hours till I get home

Whoa I been, countin' the hours till I get home
