Here I stand before I fall again, whiskey has got the best of me

It's not made me a better man  
C D  
but it's done wonders for your looks

## Chorus

C D  
They say it's in the blood and mine is mostly whiskey  
G D C  
Mos Lay Wiz Kay hunger for a snack  
Mos Lay Wiz Kay latest diet fad  
Mos Lay Wiz Kay Grampa's cure all

G D C G  
Some claim its a crutch a bandage for wounded time,  
G D  
others only touch that stuff when they're riding high  
C G D  
It adds the color to your cheeks  
C D  
It adds the bone to your back

## Bridge Em G C

For me it's the boredom of the day  
the never changing scenery  
that has me drinking away  
For when I'm feeling frisky  
But nothin comes of it...  
That's mostly Whiskey

The truth that spills  
Right out my cup...  
It's mostly Whiskey

G D C  
**Chorus** Mos Lay Wiz Kay content of my character  
Mos Lay Wiz Kay cause of my hangover  
Mos Lay Wiz Kay basis of my personality

## Outro Bridge

When I'm down to my last drop ...  
blood or booze who's to say  
I only know that the taste in my mouth is  
Say it with me...Mos Lay Wiz Kay!
