

# Neon Moon

by Brooks and Dunn

No Capo      capo2 bret sings better

A  
When the sun goes down on my side of town

A  
that lonesome feeling comes to my door

D                      A  
And it turns my world..... blue.

A  
There's a run down bar across the railroad track

A  
I got a table for two way in the back

D                      A  
Where I sit alone..... and think of losin' you.

E                      A  
I spend most every night beneath the lights of a neon moon.

## CHORUS

D                      E  
If you lose your one and only  
There's always room here for the lonely  
To watch your broken dreams dance in and out of the beams

A  
Of a neon moon.

I think of two young lovers runnin' wild and free  
I close my eyes and sometimes see  
You in the shadows... of this smoke filled room.

No tellin' how many tears I sit here and cry  
No tellin' how many lies that I've lied  
Tellin' my pour heart... she'll come back someday  
Oh! But I'll be allright as long as there's light From a neon moon.

repeat CHORUS

Jukebox plays on drink by drink  
The words of every sad song seem to say what I think  
That this hurt inside of me...ain't never gonna end.  
Oh!But I'll be allright underneath the lights                      Of a neon moon.

repeat CHORUS

D                      E                                      A  
Just watch your broken dreams dance in and out of the beams      Of a neon moon.
