

# No Stopping Tonight (mutation/parody Chris Wenz - No Secret Tonight)

**G Am C G** 8 count

After we got done writing the Chris song, some thoughts were floating in my head and I wanted to get them down before I lost them.

G  
There's no stopping tonight  
Am  
Can't see what's ahead  
C G  
It's going to be a fight restless in my head

Chorus1 Am C G  
No Stopping Tonight No Stopping Toniiiiight X2

**Bridge** F C  
Fueling up on whiskey and cocaine  
Never once did I look back  
Tomorrow could be my last day  
G Pm  
So I'm not holding back

G ← seems weird but stay on G

Can't stop it at all  
Am  
I forgot what you said,  
C G  
Just visions in my head I mumbled again  
...  
Unbearable dreams G  
Stab at my soul Am  
Deep down in my heart there is an empty hole C G

Chorus 2 Am C G  
No Stopping Tonight No Stopping Toniiiiight X2

**Bridge** F C  
Feed the fire without much of a fight  
I drift hazily thru the night  
thoughts of you never left my sight  
G  
Fixated till the morning light

Chorus 3 Am C G  
No Stopping Tonight No Stopping Toniiiiight X2
