

OLD TIME ROCK AND ROLL

E

Just take those old records off the shelf

A

I sit and listen to them by my self

B

Todays music ain't got the same soul

E B

I like that old time rock and roll

E

Don't try to take me to a disco

A

You'll never even get me out on the floor

B

In ten minutes I'll be late for the door

E B

Still like that old time rock and roll

CHORUS----- E

Just like that old time rock and roll

A

That kind of music really soothes my soul

B

I reminis about the days of old

E B

With that old time rock and roll

E

Don't wanna hear em play a tango

A

I'd rather hear some blues and funky old soul

B

There's only one sure way to get me to go

E B

Try playing old time rock and roll

E

Call me a relic call me what you will

A

Say I'm old fashion say I'm over the hill

B

Today's music ain't got the same soul

E B

I like that old time rock and roll
