C F G
She says, come and sit right front of me
put your cash on the dance floor

F C G
I pretty young dancing girl I may be

C F G
If you treat me right, I'll be forever yours

Chorus F C G C
She said, a penny for my thoughts, a buck to see my titties X2

I wanted her so bad to be my honey
After 3 lap dances, she finally agreed to see me
It may have cost me lot of money
But we all know love is never free

Chorus F C G C
She said, a penny for my thoughts, a hundred bucks to play with my titties X2

I bought jewelry and coats of fur
And quite an expensive brand new car
A diamond ring to make her purr
All the glamore of a hollywood star

Chorus F C G C
She said, a penny for my thoughts, a 5 grand for bigger titties X2

Las Vegas is the place we tied the knot
Honeymooned in a place they call Madrid
That night I must have really hit the spot
9 months later she popped out a kid

Chorus F C G C
She said, a penny for my thoughts, a mansion to house your kiddies X2

My credit cards are maxed, they've all been cut
My stocks all sold and bank account bone dry
I'm sorry my lovely wife, i'm in a rut
There's nothing else I can afford to buy

Chorus F C G C
She said, a penny for my thoughts, say goodbye to these titties
She said, a penny for my thoughts, I'll keep the house and mercadies
She said, a penny for my thoughts, your going to support those little kiddies
She said, a penny for my thoughts, **I said goodbye to those titties**

Should have paid the penny man!!!
