Lyrics by Bret Unplugged

G C G  
 There 're only two things in life that make it worth livin'  
 C D G  
 A big ass truck and some fine lookin' women  
 G C G  
 I don't need to get in a bar room fight  
 C D G  
 I got this song and a lot of beer tonight  
 C G D G  
 Maybe it's time we got back to the basics of life

## Chorus

G C  
 Let's go to Puke and Fart Texas with Bubba, Billy and the boys  
 D  
 This tequila that we're drinking, has got us feuding  
 G  
 like the Hatfields and McCoys  
  
 Between Hanks stupid prank jokes, Earls big bong toke's  
 C D  
 and Billy's throwing up in the rain, out in puke and fart Texas  
 G  
 ain't nobody feelin' no pain-----

G  
 So Bubba quit lighting your fart on fire  
 C D G  
 Have a shot, smoke some pot, and go away  
 Billy don't point that gun at me  
 I think I need to find a tree, and take a pee

G  
 We've been so busy doing nothing with our lives  
 C  
 A pickup in the garage, and a heck of a wife  
 C G D G  
 Maybe it's time we got back to the basics of life

## Chorus

Billy don't light that dynamite stick  
 You've got no place to throw it you stupid hick

G C D G
---------

Earl your pretty drunk and high  
 But you're the soberest one of all, so you can drive

We've been so busy doing nothing with our nights  
 Except drinking and smoking and getting in fights  
 Maybe it's time we get back to the basics of life

G  
 C  
 C G D G

## Chorus

Outro: Repeat last line chorus
