

Rock-a-hula Baby - Elvis Presley

I feel I'm heaven bound
And when she starts to sway, I've gotta say
She really move the grass around

Although I love to kiss my little hula miss
I never get the chance
I wanna hold her tight all through the night
But all she wants to do is dance

Chorus

I bet that she could teach the palms along the beach
To sway when breezes blow
And birds up in the sky could learn to fly
By watchin' how my baby can go
