She never mentions the word addiction

In certain company

Yes, she'll tell you she's an orphan

After you meet her family

Interlude : GGGDC GGCGCG

She paints her eyes as black as night, now

Pulls those shades down tight

Yeah, she gives a smile when the pain comes,

The pains gonna make everything alright

Says she talks to angels,

They call her out by her name

She talks to angels,

Says they call her out by her name

She keeps a lock of hair in her pocket

She wears a cross around her neck

Yes, the hair is from a little boy

And the cross is someone she has not met, not yet

Says she talks to angels,

Says they all know her name

Oh yeah, she talks to angels,

Says they call her out by her name

She dont know no lover,

None that I ever seen

Yes, to her that aint nothing

But to me, yeah me,

Its everything

She paints her eyes as black as night now

She pulls those shades down tight

Oh yeah, theres a smile when the pain comes,

The pains gonna make everything alright, alright yeah

She talks to angels,

Says they call her out by her name

Oh yeah, yeah, angels

Call her out by her name

Oh, angels

They call her out by her name

Oh, she talks to angels

They call her out

Yeah, they call her out

Dont you know that they call her out by her name
