

SHELTER ME – CINDERELLA

G D
Everybody needs a little place they can hide Somewhere to call their own, don't let nobody inside
C G D
Every now and then we all need to let go For some it's the doctor, for me it's rock and roll

G Bm C G
For some it's a bottle, for some it's a pill Some people wave the Bible, 'cause it's giving them a thrill
C G
Others point their finger if they don't like what they see
A D
If you live in a glass house, don't be throwin' rocks at me

CHORUS

C G A D
We all need a little shelter Just a little helper to get us by
C G A D G
We all need a little shelter Just a little helper ooh, and it'll be alright, yeah

G (SHUFFLE) D
Check out Mr. Politician in his suit and tie When the doors are closed there ain't nothin' he won't try
C G D
Meanwhile Mr. Medicine's treating his best friend's wife
G Bm C G
Tipper led the war against the record industry She said she saw the devil on her MTV
C G A D
To look into the cabinet, it takes more than a key Just like Jimmy's skeletons and his ministry

CHORUS

C G C A D (X2-3)

G D C G
For some it's the needle, for some it's the kill Some people wave the Bible, 'cause it's giving them a thrill
C G A D
You can spend your money before you get your pay With a toss of the dice you can piss it all away

CHORUS

G D C D G (sing chorus over the top; repeat until done)
