Johnny was a schoolboy When he heard his first Beatles song
Love Me Do, I think it was And from there it didn't take him long---
Got himself a guitar Used to play every night
Now he's in a rock 'n' roll outfit And everything's alright (D coming fast)

Mama came to the door With a teardrop in her eye
Johnny said, "Don't cry, Mama, smile and wave goodbye"

Johnny died one night, died in his bed.
Bottle of whisky, sleeping tablets by his head.
Johnny's life passed him by like a warm summer day.
If you listen to the wind you can still hear him play.
