

Six String Music

by Jimmy Buffett

Turn off the T.V. Turn off the crap D
Kick off your high heels Climb up in my lap D

Chorus:-----

 G A D
And I'll play music... a song from me to you
G A D
Simple six string music a ballad or the blues

No interruptions From the telephone D
Don't need call waitin' Just you and me alone D

Chorus:-----

And my six string music (six string music) A song from me to you GAD
Simple six string music (six string music) A ballad or the blues GAD

 G D
Oh I remember that night in Africa
 G D
My daughter and my little guitar
 G D
Straddling the equator
 G A
The king of Zanzibar
 G D
Those shy black hidden faces
 G D
They didn't know me from Adam's cat
 G
But the words and the singin'
And the people in a ring
 G Em A
And the whole night went like that

(instrumental: D chords)

Now some folks like icing Some folks like cake D
Some swim in the ocean Some paddle in a lake D

Well you can get into Beethoven Or you can groove on Jimmy Reed D
But keep it simple stupid All we really need is D

Chorus:

Six string music (six string music) A song from me to you GAD
Simple six string music (six string music) A ballad or the blues GAD
Six string music (six string music) Ain't no symphony GAD
It's just six string music (six string music) So elementary GAD
