Intro: Solobbean

Surfing the Great Lakes
during labor day
it's a mini california holiday

grabbin my long board
waxing up the deck
put on my threefour and go get wet

solobbean

Riding the small chop
soaking up the rays
feeling the splash of fresh water waves

fighting the rip tide
wish it would subside
waiting for that one last perfect ride

solobbean

Surfing the great lakes
nothing better to do, than
sipping on a bottle of corona will all of you

Throw the board in the jeep
Tonight it's where I'll sleep
wake up tomorrow and do to all again

Surfing the great lakes
there's no other way
(Fade and repeat x3)
