And tell you they just want to be your friend

I left for Tampico last July I jumped off that boat I almost died

There to greet us

Were pretty señoritas

D E

I swore that I would not go home then

(repeat run)

All those lovely ladies were my friends

All those sweet chiquitas they don't pretend

(solo)

(repeat run)

That is all I really want to say

I was thrown out of the country yesterday

D

(See I was) drinkin' double

A

Causin' lots of trouble

D E

When the man looked in the window of the bar and he grinned

(repeat run)

"I don't want to see you 'round here again"

"If you come back next time we may not..." (Hidy ho' boys!)
