

The Beerfest is coming to town - Bret Unplugged 2012©

Santa clause is coming to town parody

A D
It's time for a beer My mouth is sure dry

A D
It's time for a pint I'm telling you why

A E A
The Beer Fest is coming to town

A D
I'm making a list, And checking it twice;
Gonna taste those beers with all my might

A E A
The beerfest is coming to town

Bridge:

G A D
We're drinking ales and pilsners

G A D
And a hoppy, foamy stout

A E
And look at all those bar maids

B E
I just have to give a shout (HEY)

A D
It's time for more beer My mouth is still dry

A D
It's time for a shot I'm telling you why

A E A
The Beer Fest is coming to town

A D
I did the list, I drank every one
Beer farts keep coming, but I'm having fun

A E A
The beerfest is coming to town

Bridge:

G A D
We're drinking lagers and white beers

G A D
And a chocolate coffee stout

A E
Those IPA's are hoppy

B E
I just have to give a shout

A D
I'm making a list, I'm taking a rest;
Counting the days till next-years beerfest
