## Turn it on by The Flaming Buttholes Family Jubileee

D A
Put your face up to the window
G D
tell me all about your pay phones
it feels better when your in it,
if yer nervous use the pay phone

Put your face where we can see it, put it on a show on cable, we could really show on now, turn it on when you are able

D G D
turn it on, turn it on and all the way up,
G D
turn it on, in your houses when you wake up
G D
turn it on when you ain't got no relation
A D
to all those other stations turn it on.

put your life into a bible, we could can pick you up on radar when are satelight is feeling give the people what they pay for.
