

# **Twist and Shout - Beatles**

(request backup singers)

A D G A

Well shake it up baby now, twist and shout

Come on come on come on come on baby , now work it on out

You know you twist it little girl , you know you twist so fine

Come on and twist a little closer now, and let me know that you're mine

Well shake it up baby now, twist and shout

Come on come on come on come on baby , now work it on out

You know you twist it little girl , you know you twist so fine

Come on and twist a little closer now, and let me know that you're mine

AHHHHH (A) and sing different tunes

Chorus again

Well shake it shake it shake it baby now

Well shake it shake it shake it baby now

Well shake it shake it shake it baby now

AHHHHH (A) and sing different tunes (song ends here)

Slow down A Strums and End on D
